

## JOY, GOOD MOOD AND FAIR PLAY DURING THE JUNIORS TOURNAMENT

After the school tournament on Wednesday 7, reserved for the 6P and 7P, and before the forthcoming on Wednesday 14 reserved for the 8P (11/12 year-old), come the Juniors Tournaments, with the one that took place this weekend.

On Saturday and Sunday, the Centre Sportif du Bois-des-Frères was filled with joy, good mood and fair play of the M10, M12, M15 and M18. In fact, this year, even the M18 had their 'tournament'. Among the teams there were mostly Geneva teams, some others from elsewhere in Switzerland, along with French teams and even a German team, who took the opportunity to win the M15 trophy! The organizers saw their efforts rewarded by the enthusiasm of the 280 participants. ## NANGHITA ANTONIOLI

(CAPTAIN OF THE SWISS NATIONAL TEAM):

### «THE MATCH AGAINST THE TAIWANESE WILL REALLY ALLOW US TO POSITION OURSELVES, IN VIEW OF THE 2019 WORLD CHAMPIONSHIP THAT MAY TAKE PLACE IN GENEVA»

Unbeaten in official competition on European soil since 2014, the Swiss women's team will wear for the first time its 2016 European Championship title at the opening game of the Nations Cup scheduled for Thursday 15 December at 8 pm at the Center Sportif du Sport Bois-des-Frères. A big game that Nanghita Antonioli, captain of the Swiss team, awaits with some impatience.

«The match against the Taiwanese will really allow us to position ourselves, in view of the 2019 World Championship that may take place in Geneva»

Having joined the national team at the end of the 2011 season, Nanghita Antonioli testifies to the confidence acquired by the Swiss women during the competitions. 'Our goal will be to play for the win or at the very least to fight to get 2nd place. On paper, this team is superior to us because of its best technique and the impressive number of hours of training.

At home, children start from 6-7 years old and work extensively on extension. Thanks to the

acquisition of such gestures from a very young age, the Taiwanese women really go very high regardless of their size». However, the Neuchâtel young woman has a cautious approach. «I do not expect anything special. We will see which team will have made the journey. With Taiwan, surprises do not miss. It is up to us to play our game without worrying about others, because we still have to progress both in technique and in maturity. We are a very young team, although we have recorded the return of 4 former players in our ranks".
