

A BEAUTIFUL SHOW IN THE SPORT CENTERS AND ON VIDEO TO CELEBRATE THE 20 YEARS !

More than 1000 women and players, hundreds of matches, suspense, passion, fair play but also a well-attended audience, the 20th edition of the Tchoukball Geneva Indoors has kept its promises!

Of course, credit for that goes to the committee who has been working on it since last January, but also to the hundreds of volunteers involved to ensure the success this unique event on the international Tchoukball scene. To this, we can obviously add the players of all ages who have played in an exemplary state of mind and, last but not least, the precious financial and material support of the canton of Geneva, the cities of Geneva and Vernier, Tchoukball Promotion as well as other sponsors.

ENJOY THE MATCHES AVAILABLE ON VIDEO ON INTERNET

We can note this year the special effort that has been made on the video broadcast of the main matches of the Nations Cup. This has allowed viewers who could not make the trip to Geneva to follow the event live and to vibrate with the on-site spectators. You can continue to enjoy these videos that will soon be available on YouTube channel of Tchoukball Promotion!

The Organizing Committee sincerely wishes to thank you all for your participation and commitment. We look forward to seeing you again in December 2017 for the 21st Tchoukball Geneva Indoors.

The Champions Cup

THE EXCITEMENT OF THE CZECH PLAYERS WHO WON THE CHAMPIONS CUP !!

The Centre sportif du Bois-des-Frères had a very intense Sunday afternoon with the final round of the Champions Cup. More than 20 short but very committed matches have followed on for more than 3h! At the end, in front of a public of connoisseurs and teams eliminated in classification matches, **the final saw the victory of the Czech team of «Limeta» on the score of 20-17.** in the finale for the 3rd place, Nyon took the best on Meyrin for a small point (17-16).

The captain of the victorious team was thrilled before receiving his prize from Daniel Buschbeck, chairman of the TGI organizing committee. **«There are no words to describe our satisfaction.** We come from a small town in the Czech Republic with less than 10'000 inhabitants. And this is our first victory in an international tournament so you can understand our joy. Especially since in our country, Tchoukball is not yet very developed. We have already made progress at the European Championships held this summer in our country but we are still far from the level of the best teams on the continent. «

On the side of the losing team of the final, Loïc Herinckx, the captain, has highlighted the merits of a team playing with three girls. «The match showed that it was a great club team. They have had a pure game and did practically not make any mistakes. The victory of Limeta is well deserved !”

DID YOU KNOW IT...

Established by the International Tchoukball Federation (FITB) on the basis of the competitions, the ranking of the Nations sees Taiwan ahead of Singapore and Italy, whereas Switzerland occupies the 16th place among gentlemen as of September 1. On the women's side, Taiwan has a comfortable lead at the top of the ranking on Singapore and Great Britain. Champion of Europe, the Swiss are in 6th position.

DANIEL BUSCHBECK: «THE COMMITMENT AND SHARPED SKILLS OF STAFF MEMBERS ARE THE GREAT FORCE OF TCHOUKBALL GENEVA INDOORS!»

Daniel Buschbeck is tired but happy, to say the least, at the time of taking stock of the 20th edition of the Tchoukball Geneva Indoors. The event, «his baby», ended perfectly this Sunday with a Champions Cup of very good level.

With a (not yet) fresh mind, Daniel Buschbeck is first enthusiastic about his volunteers. «The commitment and skill of the staff is the great strength of the Tchoukball Geneva Indoors! We have very different personalities in our organization.

It is great to see the quality of the work done by each of them in its specific field. With the heart and commitment shown by this hundred people, we can truly reach peaks. **Personally, I do not yet see the limits».**

The chairman of the organizing committee also emphasizes the progress made in communication. «We were determined to put resources into this area. We have all seen this year the results obtained **especially in the broadcasting of live images on social networks**. We obviously should continue to work in this direction because it is surely where the future is going».

From the standpoint of competition, Daniel Buschbeck has rejoiced at the performances of the Swiss, Italian and Czech teams before talking about the next editions and a bid for the 2019 World Championships. «At the level of the results, I have appreciated the performances of the Swiss teams. It was important for them to be able to stand out at home. The first place of the Czech team of Limeta is also a very nice reward for this team very loyal to the Geneva Indoors. **And the**

2017 edition will be even more interesting with the expected return of England, Austria, Germany and possibly even Spain. I also note that we made the right choice by seeding the M18, Woman and Man teams in the Nations Cup. This is undoubtedly an option that we will keep for next year. As of January, we will start a new reflection on the 2017 and 2018 editions while seeking to complete our bid for the 2019 World Championships.»
