# THE NATIONS CUP

## PARTICIPATION REQUIREMENTS:

In principle, only "national" teams, that is, teams registered by a national Tchoukball federation or an equivalent institution, can participate in this tournament. If no national team of a country participates in the tournament, the organisers can open the participation at the tournament to clubs of this country. Please get in touch with us in case of questions. Teams of the following categories can participate: "Men", "Women", "U18 boys" and "U18 girls".

## COMPOSITION OF TEAMS:

Each team will consist of 7 players on the field; the number of substitutes is free. Nevertheless, for each individual game a maximum number of 12 players can be selected and registered on the official match sheet at the beginning of the game.

## TIME AND PLACE:

The place and time of the technical meeting will be published once the game plan has been finalised. The tournament will start on Thursday 13th December and will run until Saturday 15th December.
